Chapter 1 by Riggio Scoffic

Exploring the vicinity Dr. Gordon Highlanders, was almost dying of excitement -- finally being given the chance, and doing the things he thought he would only ever dream of doing. He had two daughters waiting at home, Margaret and Alice, both he would miss greatly while he was away, along with their mother. When first arrived there at 7:30 that morning, the first thing he did was call them to make sure they were doing ok, then immediately afterwards Dr. Collins started showing him around.

"This way Gordon," said the doctor.
